PETITIONING THE COURT

To incorporate the violation(s) contained in this petition in future proceedings with the violation(s) previously reported to the Court on 12/3/2020.

The probation officer believes that the offender has violated the following condition(s) of supervision:

<u>Violation Number</u>	<u>Nature of Noncompliance</u>
2	<u>Special Condition #17:</u> You must abstain from the use of illegal controlled substances, and must submit to urinalysis and sweat patch testing, as directed by the supervising officer, but no more than 6 tests per month, in order to confirm continued abstinence from these substances.

Supporting Evidence: The offender is alleged to have violated special condition number 17, by ingesting illegal controlled substances, methamphetamine, morphine, and heroin, on or about December 4, 2020.

On August 27, 2020, Mr. Hall's conditions of supervision were reviewed and he signed said conditions acknowledging he understood his requirements. Specifically, he was made aware by his supervising officer that he must abstain from the use of illegal controlled substances.

On November 18, 2020, a sweat patch was placed on the offender by Compliance Monitoring Systems. On December 4, 2020, the sweat patch was tested by Clinical Reference Laboratory and returned positive for methamphetamine, morphine, and heroin.

The supervising officer contacted Mr. Hall to address the aforementioned positive drug test result and he adamantly denied use of controlled substances.

The U.S. Probation Office respectfully recommends the Court to incorporate the violation(s) contained in this petition in future proceedings with the violation(s) previously reported to the Court.

I declare under penalty of perjury that the foregoing is true and correct.
